

K-Love radio is an inspiration to me on a daily basis. It is listener supported and I've supported it for 5 years now. I listen daily and count on K-Love to get me back and forth to work with the right attitude. If K-Love were to be displaced by an LPFM broadcaster providing other programming I would not get the benefit of listening to excellent Christian music. This music and station is a benefit to the whole community. The station promotes positive values and approach to life and the music helps many people deal with their challenges day to day. Please don't do anything that would effect the availability of this station in my area!

Thanks,
